

| Specification | Details |
|------------------------|---|
| Make / Model | Enagic – Kangen Leveluk K8 |
| Installation | Countertop (with diverter / plumbing kit) |
| Power Supply | AC 100–240 V, 50/60 Hz |
| Power Consumption | Approx. 230 W (max) |
| Water Source | Potable fresh water (post-RO > pre-filter > Kangen) |
| Inlet Water Pressure | 5–70 psi (0.35–4.8 bar) |
| Operating Temperature | Cold / room temperature only (no hot water) |
| ORP Range | Approx. +1100 to -900 mV (source dependent) |
| Flow rate: (l/min) | Kangen Water®: 4.5 – 7.6 Acidic Water: 1.5 – 2.6 Strong Acidic water: 0.6 – 1.1 |
| Dimensions (W × D × H) | 330 × 150 × 350 mm |
| Weight | Approx. 8 kg |
| Filtration | Internal multi-stage carbon filter |
| Filter Life | Up to 6,000 L |
| Display | LCD with voice prompts - 10 different language options |
| Maintenance | Periodic filter replacement, e-clean & internal auto-cleaning |
| Warranty | Manufacturer warranty (region dependent, typically 3–5 years) |
